Steve,

I have some interesting opportunities brewing, sharing them here for consideration. Please reach out with any thoughts or questions, looking forward to discussion –

#### **SotE Recruitment**

- Need More drivers, for the weekly routine & for coverages when needed
- Idea Reach out to local retired community for volunteers (regulars, backup drivers)
- Note Our MC team has rich local network, easy to establish here
- Thought Justin could administer & coordinate, Dan could lead in action

#### **SotE Marketing**

- Need Media advertisements for SotE
- Idea Have mayor John Kartak do a food run with Dan & Gary
- Note Dan is a longtime friend of John's
- Thought Driver (Gary), Helper (John), Ministry (Dan)

#### **MC Building**

- Need A new building!
- Idea Co-habitate in local facilities (e.g. like Reach Everett or Grove Snohomish)
- Note Justin goes to Reach & has good network here, Justin's sister goes to Grove
- Note Mayor Kartak has experience and success in planting churches like this
- Thought MC's network into Canyon Hills, CTK & Reach may place a good base for this

#### **MC Next Steps**

- Need A path forward to share & expand MC's (and Steve's!) ministry further
- Idea For discussion!
- Note The value statement for this church is unique, and highly sought after when marketed correctly
- Thought Reach out to Justin for thoughts & ideas

To chat!
